DANIEL R. CARNAHAN

Attorney

Daniel Carnahan focuses his practice on a variety of real estate matters, business and corporate transactions, and estate planning and administration. Dan routinely assists clients with various real estate matters, including acquisitions and dispositions, development matters, commercial leasing transactions, financing transactions, and tax-deferred exchanges. He advises clients on business and corporate matters, including the formation of business entities and related governance matters, business acquisitions and dispositions, entity reorganizations, and contract negotiations. Additionally, Dan works with clients to develop and implement personalized estate plans ranging from the simple to complex, assists clients with probate and trust administration proceedings, and advises business owners on business succession planning issues.
